PARCOURS ANGLAIS

Semestre 4

TRADUCTION ET PRATIQUE DE LA LANGUE

Compréhension, communication/composition, rédaction

Présentation

During the semester, we will explore two contemporary topics: the impact of reality TV in the modern age (particularly its influence on society and social media) and the ethical issues surrounding animal captivity with a focus on the United States. Through oral comprehension exercises and oral presentations, students will improve their listening and speaking skills while engaging critically with complex cultural and social debates. The class aims to deepen students analytical abilities and prepare them for more advanced forms of academic and professional communication.
