

LICENCE MENTION LLCER LANGUES, LITTÉRATURES ET CIVILISATIONS ÉTRANGÈRES ET RÉGIONALES

PARCOURS ANGLAIS

Semestre 2

ÉTUDES NORD-AMÉRICAINES I

Littératures nord-américaines

Présentation

North American literatures

Following S1 survey class, this course will resume literature after WWI, including compulsory readings for the lectures, ranging from the 1920s to nowadays (list given at the beginning of the academic year), and guided text commentary in classes.

Compétences visées

- Critically read and analyze literary texts
- Establish a clear thesis and back it up with concrete examples
- Write text commentary parts and subparts in academic English
