## Mondes anglophones : regards croisés

### Présentation

This class aims at accompanying your first steps in LLCER Anglais at University, and at helping you understand how to work efficiently: broad objectives of the degree, university organization (elections, representatives etc.), how to take notes in the lectures and what to do with the notes, methodologies of learning and remembering etc. It will partly be based on Stella Cottrell's books about learning at university. We will also suggest group work and projects to get you engaged in your studies.
